October 19–22nd

ADVANCES IN PRECISION FABRICATING
at Capital's Atlanta Technology & Training Center

POWER+ with up to 10kW of power
and speed

SafanDarley 35T with a Yaskawa AR 1440 Robot

OPTIPLEX 3015 FIBER III

Witness Mazak Optonics high power OPTIPLEX 3015 FIBER III with the new cutting-edge PreviewG Control and our latest edition to our family of top-tier builders, Yaskawa America, Inc, Motoman Robotics Division at Capital's **ADVANCES IN PRECISION FABRICATING**.

There are many other industry-leading builders Capital will be showcasing at this event including:

We will be hosting two full-days of the event both Tuesday, October 19th and Wednesday, October 20th from 9–4pm. For customers preferring more privacy and individual attention, Capital is offering dedicated time slots on Thursday and Friday (Oct 21 and 22nd). We encourage you to reserve a spot with your salesman, as the time slots tend to fill up quickly.

Registration is now open: <https://bit.ly/CapitalRoboticsAdv>

Or, you may call us toll-free to register at: 1-800-635-7777 Ext.200
